EYFS Term 2 Knowledge Organiser

We are writers— We will continue to learn sounds. This term will we be learning d,v,f,e,f,l,r,u,k,v,j,u,w,x,z. We will also learn how to blend the sounds together to write and read words. We will practise writing our letters every day. We will use this in our mark making inside and outside. We will write notes, messages and labels in our own learning.

We are mathematicians— we will continue to explore numbers and their values by counting objects, ordering, finding different ways of making numbers and finding one more and one less. We will solve problems and investigate. We will explore the names and properties of shapes and explore patterns.

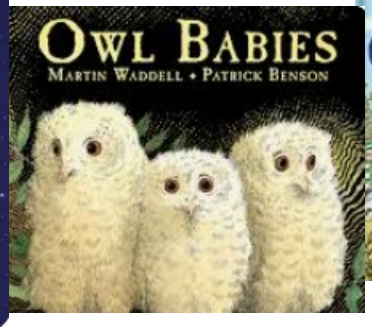

We are performers—we will be learning a range of songs and rhymes including Christmas songs to perform to our families. We will explore musical instruments and the sounds they make. We will explore the meaning and sounds of new words.

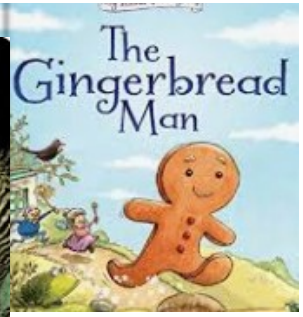

Let's Celebrate

We are readers— we will be looking at fiction and non-fiction books linked to Autumn and Winter. We will learn to retell stories to our friends and families. We will also learn about the world around us.

We are curious - We will learn about a range of different celebrations and consider these questions:

What is a celebration?

What celebrations are important to me?

Why is it important to celebrate?

How are celebrations different/ the same?

We are artists -

We will be learning about paint and clay. We will be making our own colours and finding out about textures. We will find out how artists use this in their work.
